To discuss any Highways issues regarding White Roding.

Most of the issues on the list submitted to Cllr S Barker by the Chairman Cllr D Bardell in August are still outstanding, these items will be put on the Highway Rangers list that the Parish Councils have recently been asked to submit.

The damage caused by the cabling contractors on the corner of Church Lane and Chelmsford Road, has been reported and photographs sent to ECC Councillor S Barker, who has confirmed that repair work should start sometime in March.

Cllr S Barker Essex County (ECC) requested any NEW items to be sanctioned by the Highways Panel to be submitted for consideration in 2021/2022. The Councillor voiced disappointment that the request was for NEW items to be sanctioned when the Council has been asking for many years for something to be done about the safety issues regarding the speed of vehicles through the village and to date no action seems to be taken.

Cllr Eke Uttlesford District Council (UDC) urged that parishioners be reminded via newsletters and/or websites to submit details of any Highway Defects to enable a more concise record to be kept by ECC. Noted and details to be put on website.
