Summer / Autumn 2018

AGM

The AGM was held in the Club on Friday 29th June. A copy of the Minutes and accompanying Documents are on the notice board. If you would like a copy of any, email david7.edwards@talktalk.net. Whilst the Club needs to raise some £10000 to £12000 a year, income from Events - Crib & Whist, Caravans & Private Bookings together with other Events and Bar Profit - means the Club is solvent.

Events

A number of Events planned for the rest of this year and early 2019 are listed overleaf. Make a note of these – full details will be sent out nearer the dates.
